

## ART HISTORY

The Associate of Arts in Art History for Transfer degree (AA-T in Art History) program promotes an understanding of art across cultures and geographic boundaries. Students are taught to apply fundamental art and art historical terminology to analyze works, and to develop an appreciation of process, in order to articulate the historical, social, and aesthetic functions of art. The program is suited to the needs of students who will complete their education at Monterey Peninsula College with an A.A. degree, as well as those students who will complete their Monterey Peninsula College A.A. degree and transfer to a four-year institution to complete their bachelor's degree. Successful completion of the Associate in Arts in Art History for Transfer degree program guarantees the student acceptance to a California State University (but does not guarantee acceptance to a particular campus or major) to pursue a baccalaureate degree in Art History or similar area of study. Students must complete the Associate Degree for Transfer requirements to earn the AA-T degree.

**Learning Outcomes:** Upon successful completion of the program, students will be able to:

- Recognize and describe the formal qualities of a work of art.
- Interpret the formal qualities of works of art in relation to specific social and historical circumstances.
- Analyze the formal qualities of works of art in relation to specific social and historical circumstances.

### Associate in Arts for Transfer Degree

#### Associate Degree Major Requirements

	Units
<b>REQUIRED CORE:</b>	<b>9</b>
ARTH 3            Western Art I (3)
