FUNDRAISING

1. **Total Monthly Donations Received in March 2016:** To be reported at the meeting.
2. **President's Circle Campaign**
The 2016 President's Circle (PC) campaign will kick off in May. We are currently recruiting PC Ambassadors to help with solicitations. In March we held a Culinary Workshop for PC donors who contributed \$1,500 or more towards the 2015 campaign. The workshop was taught by MPC Instructors Dave Erickson and Andres Adams, and was a huge success.
3. **Business Partnership Program**
Our Business Partners program encourages local, regional, and national businesses to invest in MPC. We have raised \$21,000 in unrestricted funding through this program so far in 2016. Business Partners receive year-round recognition on various publications and at events, including the President's Address to the Community.
4. **Grants**
Since January 2015, we have submitted 13 grant proposals and have two additional proposals currently under development. Recent proposals include a \$100,000 to the Claire Giannini Fund for the Outdoor Learning Classroom project.

In addition to grants the Foundation applies for directly, we are working closely with the college to develop a multi-million STEM proposal to the Department of Education. Proposals are due May 30, 2016.
5. **Spring Appeal**
A spring appeal will be mailed to approximately 5,000 local contacts directly following the President's Address to the Community. This is the first time the Foundation has mailed a mid-year appeal since 2012.

1. **10th Annual President's Address to the Community**
The 10th Annual President's Address to the Community will be held Friday, April 22, 2016 at the Monterey Marriott. This year's awardees are Dan and Joann Albert.
