Dr. Walter Tribley Superintendent/President Monterey Peninsula College 980 Fremont Monterey, CA 93940

Dear President Tribley:

The Committee on Substantive Change of the Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges met May 3-4, 2016 to review the Substantive Change Proposal from Monterey Peninsula College to offer:

• Distance Education: an additional 63 programs (see attached list) via distance education or electronic delivery.

The Committee acted to approve the substantive change.

On behalf of the Commission, I wish to express appreciation for the work that the College undertook to prepare this Application for Substantive Change. The Commission encourages the College's continued work to ensure educational quality and to support student success. Accreditation and peer review are most effective when the College and the ACCJC work together to support continuous quality improvement in higher education. Thank you for sharing the values and the work of accreditation.

If you should have any questions concerning this letter or the Commission action, please don't hesitate to contact me. We'd be glad to help you.

Sincerely

Norval L. Wellsfry, Ed.D
