

MPC Global Studies is....

Good for students

- Responds to student need to transfer into thematic majors at CSUMB
- Provides introductory courses at MPC so that students can transfer into upper division courses immediately.
- Offers a multi-disciplinary A.A. - T that can translate into many options for a B.A. degree at a variety of institutions, not just CSUMB

Good for the community

- Monterey County hosts the world, our curriculum can serve our diverse student body.
- Creates a partnership between MPC and CSUMB to serve our students seamlessly.

Good for MPC

- Accomplishes what Collaborative Brain Trust recommended to us last spring - small partnerships with CSUMB to strengthen our ties to one another.
- Attracts students from CSUMB to take MPC courses.
- Adds two additional classes to the catalog only. We already teach the rest of the required courses.
- Boosts enrollment in existing elective courses.
