- Students with a previous bachelor's degree, see a CSUMB Nursing adviser for CSUMB graduation requirements.
- Courses subject to change
- Students interested in this collaborative track should see their Nursing advisor at Monterey Peninsula College for details. If demand exceeds capacity, other admission criteria may be put in place.
- An ADN degree does not guarantee admission to CSUMB. Students beginning the final year at CSUMB should maintain at least a 2.75 grade point average in all of their Community College coursework, have passed the NCLEX, be GE certified by their CC, and have completed all BSN prerequisites.
