Consider taking PERS 50 *Making
College Count.*

This class is transferable and helps
students learn successful study
strategies, learning styles, and time
management--many things that will
help you in your current and future
classes.

TIPS FOR SUCCESS

- See your counselor and make an education plan
- Use a calendar to keep track of assignment due dates
- Attend class and take notes
- Create or join a study group
- Take advantage of English and Math tutoring--even "A" students use tutors.
- Join an MPC student club
- Apply for a scholarship

"Success is ninety-nine percent mental attitude. It calls for love, joy, optimism, confidence, serenity, poise, faith, courage, cheerfulness, imagination, initiative, tolerance, honesty, humility, patience, and enthusiasm"

Wilfred Peterson
