Coach Marcus Carroll is working with the cross country teams and had a respectable 14th place finish in the large, season opening meet at Fresno City College. Roman Munoz from King City High School had an outstanding race and finished 10th in the men's race.

TRIO

MPC received word from the US Department of Education that it has been selected to receive funding for its Math Science Upward Bound (MSUB) grant proposal. The grant award is for MPC \$1,962,110 over the next five years. Securing the MSUB grant allows MPC to continue to host three TRIO programs: Student Support Services (SSS), Upward Bound (UB), and MSUB (MSUB). MPC has a 37 year history hosting TRIO programs: the first was SSS in 1980, followed by UB in 1989 and the MSUB in 1992.
