

Multiple Measures Placement Self Report Form

Students must have taken an assessment (at MPC or another California Community College). Complete this form and return to the Monterey Peninsula College Assessment Center, STS-119 or mail: assessment@mpc.edu. Your request will be evaluated and, if approved, a prerequisite will be entered into your student portal within 5-7 business days. Results are evaluated on a first come, first serve basis and will be put into our system only when they can be matched to a student record. Incomplete forms will not be processed.
