

Governing Board Report for Student Services

Presented by:

Laurence E. Walker Interim Vice President for Student Services

April 25, 2018

Athletic

- The men's golf team is ranked #1 in Northern California. They lead their division of the Big 8 Conference. They are building to the Northern California Championships and a bid in the state tournament.
- The Lobos softball team is leading their division with a 10-1 record and 24-4 overall. They are ranked #4 in Northern California and #9 in the state. They will qualify for the Northern California Championships and hope for a home series to open the play-offs.
- The men's baseball team is currently in 2nd place in their division. They have 6 conference games remaining and need 3 wins to assure qualifying for the Northern California Championships.
- The track and field team continues to compete and is pointing to the conference championships at the end of April. Three athletes will compete at the Decathlon/Heptathlon Championships April 17/18 in Sacramento with hopes of qualifying for the state championships.
- Women's tennis has completed their season in which they won several dual matches.

Career/Transfer Resource Center

 - Seaside High GEAR UP: April 10
- MPC Application Workshops
 - Seaside High School: April 5, 6
 - Marina High: April 11
- Dual Enrollment Orientation and Application Workshop
 - Marina High: April 30

Education Center at Marina

- The Education Center at Marina experienced a power outage on March 13, and evening classes were cancelled. When power was restored, there was smoke and a burning smell in the Mechanical Room. One of the four motors for the boiler system failed, and upon inspection, Facilities discovered that the remaining three had sustained damage. All four required replacement. Facilities worked quickly to secure and install the motors (through our vendor), and heat was restored on March 21. The software for the Paging Gateway was also damaged during the outage which prohibited the wall clocks from communicating with the Monterey Campus. IT worked to resolve this issue, and the clocks were up and running on April 12.
- The Education Center at Marina has hosted the Volunteer Income Tax Assistance (VITA) program which began February 5 and wrapped up on April 16. Judy Cutting arranged for their presence; the VITA program offers free tax help to people who generally make \$54,000 or less, persons with disabilities, and the elderly and limited English speaking taxpayers who need assistance in preparing their own tax returns.
- Supervisor Jane Parker's office is in the process of scheduling the Fort Ord Reuse Authority (FORA) meetings at the Education Center at Marina.

Student Success and Support Program
