Before Accepting a Student Loan

Explore scholarships, grants and Federal Work Study opportunities at MPC. Budget your own resources to live more economically and borrow only what you need.

Loans must be paid back **even** if you don't graduate, transfer, discontinue with your education/training or unable to obtain employment.

About Direct Loans

Direct loans are issued by the federal government. Your Direct Loan Servicer contact information can be located at <https://studentloans.gov> or the "Disclosure Statement" you will receive after your loan is certified by Monterey Peninsula College.

There are two types of Direct Student Loans:

Subsidized Loans are interest free while in enrolled in school as a **half-time student**.

Unsubsidized Loans are not interest free, interest accrues while you are in school.

Loans with a first disbursement from July 1, 2018 to June 30, 2019 will have a **interest rate of 5.05%**

Eligibility for the subsidized loan will always be processed first. If additional loans are needed, the student will be considered for an unsubsidized loan. The loan amount you request may not be the amount you are eligible to receive. While loans are based on your ability to repay, in some cases, the applicant must demonstrate financial need or may only be eligible to borrow the annual maximum amount allowed. MPC determines the amount of eligibility based on Admissions & Records' grade level at the time of certification and unmet need. Applicants must choose the loan program (Subsidized and/or Unsubsidized). MPC cannot and will not certify a loan that is not requested and will not automatically modify the loan request without written notification from the borrower.

Entrance/Exit Counseling

Federal laws require all first-time, first-year borrowers to complete the Loan Entrance Counseling (<https://studentloans.gov>) and have a **30-day waiting period** from the beginning of the school term. MPC requires all Direct Loan applicants to complete the Loan Entrance Counseling which explains student's rights and responsibilities for student loans.

Exit Counseling is performed at the end of each school year. Borrowers must complete Exit Counseling at the end of each academic year or semester (if attending just one semester). As the student, you must update student information at MPC and it explains what will occur before and after loan repayment.

Entrance and Exit Counseling is performed online at <https://studentloans.gov>.

Eligibility for Federal Direct Loans require that you maintain at least half-time enrollment (6.0-8.5 units). Failure to maintain this enrollment status will result in a charge (plus interest that may have accrued) for the amount disbursed to be paid back to the Department of Education within 45 days.

IMPORTANT: Avoid default at all costs. **If you run into financial problems with your repayment schedule, contact the Direct Loan Servicing Center at (800) 848-0979.** There may be solutions that can keep you on track and protect your credit rating. Visit <https://studentloans.gov> for tips on managing your loan debt.
