The TAG Strategy

- ▶ You only have 1 TAG, so use it well!
- ▶ Make sure you are eligible for the campus and major you have chosen to TAG
 - ▶ Review requirements in detail with a counselor
- ▶ You may be eligible for multiple campuses - TAG the most competitive one
 - ▶ Example, TAG UC Irvine over UC Merced
- ▶ OR - TAG the campus that you most prefer

Some things to keep in mind if choosing Davis or Santa Barbara

- ▶ Unique to Davis: continuous enrollment through Spring prior to transfer
- ▶ Unique to Santa Barbara: AP units are limited to 10.67 semester units (16 quarter units) as part of the 30 semester unit minimum to be eligible for TAG

Transfer Admission Planner

Welcome to the UC Transfer Admissions Planner! This online tool is designed to help prospective UC students transferring from California community colleges track and plan their course work, including those students who are seeking a Transfer Admission Guarantee (TAG) with one of the six participating UC campuses.

How to use the online planner

Students can use the Transfer Admissions Planner to enter their course work (completed and planned) from the very beginning of their college careers, or at any point when they decide to transfer to a UC campus. The planner helps students track their progress toward meeting UC's minimum requirements, and allows UC staff to communicate important information to prospective transfer students. Students are strongly encouraged to meet with their community college counselor, as this tool does not replace advising students receive at their college.

The information students enter in the planner allows UC staff to direct appropriate information to students quickly. All information collected is considered confidential and is shared only with students' community colleges, UC admissions officers, and UC academic preparation professionals.

Applying for a TAG

Students seeking a Transfer Admission Guarantee (TAG) with one of the six participating campuses (UC Davis, UC Irvine, UC Merced, UC Riverside, UC Santa Barbara, and UC Santa Cruz) may apply using the online planner. Students must satisfactorily complete UC and campus-specific transfer admission requirements to be eligible for a TAG. More information on TAGs can be found in the TAG section of the planner.
