

# 10th ANNUAL HIGH SCHOOL AUTOMOTIVE SKILLS CHALLENGE

MONTEREY PENINSULA COLLEGE DEPARTMENT OF AUTOMOTIVE TECHNOLOGY  
**APRIL 12, 2019**

Come See the  
Largest High  
School Skills  
Event Trophy  
in California!

Students from local high schools from Monterey, Santa Cruz and San Benito counties will compete for awards and learn about automotive technology education while networking with automotive professionals and industry leaders from the area. This event, in its **10th Season**, is designed to inspire students to pursue successful career paths through the

MPC Automotive Degree and Certification Program. It also serves to build and strengthen partnerships between the college and local high school automotive programs and local businesses while raising the profile of automotive education on the Monterey Peninsula and beyond.
