

FALL 2019 Final Examination Schedule
December 9-13, 2019

The Final Exam Schedule has been developed to accommodate most standard class time configurations to provide a 2-hour final exam period as close to the original course’s scheduled day and time to help accommodate the work and life schedules that our students have already planned for the semester.

- Exam week begins on Monday, December 9, 2019 and ends on Friday, December 13, 2019.
- **All classes are required to meet** for a two-hour period during finals week for instruction or examination.
- December 13, 2019 may be used as a day to offer make-up exams or to resolve conflicts in the final exam schedule.
- Consult with your Division Chair or Dean for help in determining appropriate final exam times for classes with that do not follow typical schedules or time patterns listed below.
