## MPC FOUNDATION MONTEREY PENINSULA COLLEGE

The MPC Foundation provides opportunities for students in Monterey County to attend college, and helps to ensure their experience at MPC is the best it can be. We accomplish this by providing financial support to students, and by investing resources in the college's programs, faculty, staff, and facilities.

The Foundation's support for MPC students includes scholarships, textbook assistance, and emergency assistance/drop-out prevention. Our signature program is the College Incentive Program, which has helped more than 250 local youth who otherwise may never have gone to college to enroll full-time at MPC.

For more information about how you can get involved, please visit [mpcfoundation.org](http://mpcfoundation.org), or call 831.655.5507

## JOIN THE PACK!

The MPC Athletic Program is proudly supported by the Lobos Booster Club.

MPC offers intercollegiate baseball, football, golf, softball, tennis, volleyball, basketball, soccer and track and field with more than 225 student athletes participating each year.

The Lobos Booster Club provides resources for critical program costs that cannot be covered by State or College funding, include equipment, uniforms, competition fees, and travel costs, and more.

“Monterey Peninsula College Athletics has been a student success program since 1949. Student athletes have a higher grade point average and transfer at a higher rate than non-athletes. MPC has produced an impressive list of young men and women who have succeeded both athletically and academically. Many of these former student athletes are leaders in our community and contribute to the peninsula’s vitality. It is my goal to see this tradition continue”

- Lyndon Schutzler  
Interim Dean of Student Services - Athletics

Annual Booster Club memberships start as low as \$100 and include free admission to all home sporting events, invitations to Booster Club events, and more!
