GOVERNING BOARD POLICIES

Chapter 3 General Institution

3520

BP 3520 Local Law Enforcement

Monterey Peninsula Community College District endorses ethical law enforcement practices and community policing.

The District, on behalf of each campus or center, has a written agreement with local law enforcement agencies. The agreement clarifies operational responsibilities for investigations of Part I violent crimes, defined by law as willful homicide, forcible rape, robbery, and aggravated assault; sexual assaults, including, but not limited to rape, forced sodomy, forced oral copulation, rape by a foreign object, sexual battery, or threat of any of these; and hate crimes as defined by law, occurring at each location.

The written agreement designates which law enforcement agency has operational responsibility for violent crimes, sexual assaults, and hate crimes, and delineates the specific geographical boundaries of each agency's operational responsibility, including maps as necessary.

The written agreements required by the Board policy are public records and are made available for inspection by members of the public upon request to the office of the Vice President, Administrative Services. Written agreements shall be reviewed and updated if necessary every five years.

The Monterey Peninsula Community College District encourages accurate and prompt reporting of all crimes to campus security and/or the appropriate police agencies. The Superintendent/President shall establish procedures that encourage pastoral counselors and professional counselors, if and when they deem it appropriate, to inform the persons they are counseling of any procedures to report crimes on a voluntary, confidential basis for inclusion in the annual disclosure of crime statistics.
