Before Accepting a Student Loan

Explore scholarships, grants and Federal Work Study opportunities at MPC. Budget your own resources to live more economically and borrow only what you need.

Loans must be paid back <u>even</u> if you don't graduate, transfer, discontent with your education/training or unable to obtain employment.

About Direct Loans

Direct loans are issued by the federal government. Your Direct Loan Servicer will contact you once you have received your first loan check. You should be given a "Disclosure Statement" after your loan is certified by Monterey Peninsula College.

Students must have **6+ or more units** to have a student loan.

There are two types of Direct Student Loans:

Subsidized Loans are *interest free* while enrolled at MPC.

Unsubsidized Loans are not interest free, interest accrues while you are in school.

Loans with a first disbursement from July 1, 2020 to June 30, 2021 will have a interest rate of 2.75%.

Eligibility for the subsidized loan will always be processed first. If additional loans are needed, the student will be considered for an unsubsidized loan. The loan amount you request may not be the amount you are eligible to receive. While loans are based on your ability to repay, in some cases, the applicant must demonstrate financial need or may only be eligible to borrow the annual maximum amount allowed. MPC determines the amount of eligibility based on Admissions & Records' grade level at the time of certification and unmet need. Applicants must choose the loan program (Subsidized and/or Unsubsidized).

**MPC cannot and will not certify a loan that is not requested and will not automatically modify the loan request without written notification from the borrower.

Entrance/Exit Counseling ==>Complete Aid Process==>Entrance Counseling or Exit Counseling

Federal laws require all <u>first-time</u>, <u>first-year borrowers have a</u> **30-day waiting period** from the beginning of the start of the semester or term.

MPC requires all Student Loan applicants to complete the Loan Entrance Counseling which explains student's rights and responsibilities for student loans. Loan Entrance Counseling is completed online at https://studentaid.gov/ also known as Federal Student Aid.

All Borrowers must complete <u>Exit Counseling</u> once loans have been disbursed in full. Exit Counseling explains what will occur before and after loan repayment starts. As the student, you must update your personal information at MPC also.

**Entrance and Exit Counseling is performed online at https://studentaid.gov/

Eligibility for Federal Direct Loans require that you maintain at least half-time enrollment (6.0-8.5 units). Failure to maintain this enrollment status will result in a charge (plus interest that may have accrued) for the amount disbursed to be paid back to the Department of Education within 45 days.

IMPORTANT: Avoid default at all costs. If you run into financial problems with your repayment schedule, contact the Direct Loan Servicing Center at (800) 848-0979. There may be solutions that can keep you on track and protect your credit rating. Visit https://studentaid.gov/ —> manage loans for tips on managing your loan debt.
