Recommendations/Updates Coming Soon to Senate

In the meantime . . .

———

- Completed Design & Kicked Off Process for [Career and Academic Pathways (CAPs) aka Meta Majors](#) Project

    - [Career and Academic Pathways (CAPs) List Including Programs](#)

- Goal: To Establish Web-Based and Printer-Friendly CAP Pages

    - [Example Printer-Friendly CAP Info. Page](#)

    - CAP Program Pages Web Design (coming soon)

Roll Up Those Sleeves for Project Completion

— — —

- **Grace, Diane, and Jeannie will be reaching out to all Divisions to**

  - present template defaults and discuss customization options

  - ask program faculty/division chairs to provide needed information; provide support throughout process

  - review and finalize draft with program faculty

- **Please share with faculty in your area that we will need**

  - completed and approved sample program maps (home stretch!)

  - program-specific information for CAP information sheets
