Dear Mr. and Mrs. Cutino,

Thank you for your unrestricted pledge of \$1,000.00 and your first pledge payment of \$250 which gains you membership to the prestigious 2020 President's Circle. Gifts like yours are truly the reason that we are able to change students' lives. In fact, support from our generous donors like you allowed us to provide more than \$550,000 directly to MPC students last year through our impactful Scholarship and College Incentive programs.

For many people, living in Monterey County and affording college can be difficult, and often requires additional support. Your contributions are incredibly important as they provide opportunities for more students to attend and thrive at MPC. As one student explains, "Community college gave me a second chance in reaching my true academic potential, something that I never knew was possible. I will forever be grateful for the help you have provided me."

Monterey Peninsula College provides pathways to better futures, while people like you help to ensure access to those pathways. Thank you again for making a positive difference in an MPC student's life – a difference that will last a lifetime.

Sincerely,

Beccie Michael
MPC Foundation Executive Director
MPC Vice President of Advancement
