

2021 FACULTY & STAFF ADVANCEMENT AWARDS

1 - Purpose

These awards support the faculty and staff who help make the experience of students at Monterey Peninsula College both meaningful and rewarding. To this end, FASA awards promote professional and personal growth, advancement in one's field, and the application of new skills, knowledge, and resources.

2 - Process

Beginning in January 2021, FASA Applications will be accepted throughout the calendar year. Funds are budgeted quarterly to help ensure availability of funding on an ongoing basis.

Applications will be reviewed by the FASA Advisory Group, composed of community volunteers and Foundation Board Members. The FASA Advisory Group makes its recommendations for grant awards to the Foundation Board of Directors which approves the awards.

Timeline for Ongoing Application Cycle

- Final applications, signed by your Dean/Manager, can be submitted as one single PDF by email at any time throughout the year to gbianchi@mpc.edu.
