Education Code section 76060.5 states that a mandatory Student Representation Fee may be charged to all students each semester/session.

This fee will be used to represent the views of students with governmental bodies. The revenue may be used to travel to and from conferences sponsored by student organizations where legislative matters will be discussed, to purchase computer equipment needed to conduct legislative research, to subscribe to legislative publications, and/or to pay for any other expense reasonably necessary to effectuate student representation activities.

Students may refuse to pay the fee for religious, political, financial, or moral reasons. If you do not wish to pay the Student Representation Fee and request a waiver, please complete this form and present it to the Admissions & Records Office prior to registering.

If you do not want to participate and require a refund because you have already paid, please attach this waiver form to a Refund Request Form, which is available on the MPC website or at the Admissions & Records Office.
