## EMAIL TO STUDENTS

Dear [Student First Name],

Did you know that students who use the campus support services in the Starfish Student Success Network are more likely to pass their courses and complete their academic goal(s)?

Below you will find a referral that I believe will help you. If you have not been contacted by the Tutoring and Academic Success Center (TASC) within two business days, please follow up with this office as soon as possible to get the assistance. TASC offers tutoring in historically difficult subjects not covered other learning centers
