Consent Agenda vote

Keith motioned to approve it all as a group, Rachel seconded, committee approved.

Action Agenda vote

For COUN 10, COUN 50, COUN 51 and COUN 71 course data was missing from the CourseLeaf migration. There was also an issue where old course titles were being used. Decision was made to table these COUN courses until the validity of the information in CourseLeaf could be verified against the Active records preserved in the CurricUNET archive.

COUN 59: Keith motioned and Laura seconded, the committee approved.

Discussion Agenda

The committee discussed the possible cross listing and recommended that BUSI 44 (Entrepreneurship) remain general/broad in its focus. It can be added to the existing Horticulture programs.
