

16 WEEK - FALL 2023 Final Examination Schedule December 11-16, 2023

The Final Exam Schedule has been developed to accommodate standard class time configurations, provide standard 2-hour final exam periods (as close to the original course's scheduled day and time), and prevent time conflicts where possible.

- Exam week begins on Monday, December 11, 2023 and ends on Saturday, December 16, 2023.
- **All classes are required to meet for a two-hour period during finals week for instruction or examination.**
