

Want to help your Monterey County neighbors lead healthier lives?

BECOME A COMMUNITY HEALTH WORKER!

Register now for this NO-COST training program starting September 2024!

WHAT IS A CHW?

Community Health Workers help community members access critical resources and navigate the healthcare and social services systems, so they get the care they need.

CHWs work in various settings, such as health clinics, hospitals, and community health centers, to name a few.

SPACE IS LIMITED -

Apply today to take a step toward broader career opportunities, higher wages, and a rewarding position!
