Monterey Peninsula College is very grateful for the continuing support of the Monterey Peninsula Foundation Youth Fund over the past twenty-four years. We trust your partnership to join us in the care and financial support of our student populations: returning veterans, low-income, first generation, re-entry and single parents, and students who are underrepresented throughout the peninsula. As our appropriations from the State continue to shrink, we are very appreciative of the financial aid so that our students can continue to succeed at MPC. Thank you for your consideration of our 2012 Youth Fund Applications.

Sincerely,

Douglas R. Garrison, Ed.D.  
Superintendent/President
